

## **Disclosure**

Capital Investment Management, Inc. ("CIM") is a State Registered Registered Investment Advisory Firm located in Sykesville, Maryland. Registration with the State does not infer any level of skill or training. CIM is in compliance with the current registration and/or notice filing requirements.

This web site is limited to the dissemination of general information pertaining to CIM's advisory services, together with access to additional investment-related information, publications, and web-links, and should not be considered as a solicitation by CIM to transact business of any sort, nor to provide investment advice.

CIM does not make any representations or warranties as to the accuracy, timeliness, suitability, completeness, or relevance of any information prepared by any unaffiliated third party, whether linked to CIM's web site or incorporated herein, and takes no responsibility therefore. Certain portions of CIM's web site (i.e. newsletters, articles, commentaries, etc.) may contain information relating to investment positions and/or recommendations as of a specific prior date. Due to various factors, including changing market conditions, such discussion may no longer be reflective of current position(s) and/or recommendation(s). No client or prospective client should assume that any such discussion serves as the receipt of, or a substitute for, personalized advice from CIM, or from any other investment professional. All such information is provided solely for convenience purposes. Content will change over time and CIM will not inform you of such changes.

CIM does not provide tax or legal advice. You should contact your tax advisor and/or attorney before making any decisions with tax or legal implications. Tools, calculators, or other resources on this web site should not be construed as personalized advice.

Investing strategies, such as rebalancing, diversification, or asset allocation, do not assure or guarantee better performance and cannot eliminate the risk of investment losses.
